Dear Sir

On the 5th Inst I applied
to the Passport Bureau for a Passport for
Alfred Page, aged by his Brother a Minor.

I rec^d in answer thereto that a Passport could only
be obtained by his making an Oath as to the facts of his
Birth, - and of his Parents being American Citizens.

I can lay before you said Oath, which I trust may
remove all difficulties.

Hence, I would, in addition, state
that his Father is a Citizen of the United States, a Native
of New Jersey, and is a practicing Physician in
Valparaiso, Chili, and has charge there of the American
Hospital for Sailors &c.

Mr Joseph P. Page the
Uncle of Alfred has the pleasure of being acquainted with
Mr Seward & his Son Frederick, having enjoyed their
Society at Cape May last Summer, and he would take the
liberty to refer to them. The Grandmother of Alfred Page (in her
City) as also several Uncles & Aunt. Most Edward Page had
charge of an Hospital in this City during the Rebellion, (so gloriously
crushed and terminated thanks be to God).

I trust there will remain no further obstacles, and it would be a very great
disappointment should the Passport not be granted. An answer by return
of mail, will much oblige the Family of Alfred Page, & Very Respectfully
Yours the old Servant

My Dear Sir.

My Friend Sidney Shepard,
wife & son eight years old, are about
sailing for Europe, and Mr S. desires
the necessary passport. Before the
war all that was necessary was
simply to send to the State Department
a description of the person, with some
evidence of nationality, and the pas-
-port issued at once. Some formalities
were required during the war & whether
they have been dispensed with I
do not know. Possibly your represen-
-tation in the right quarter, that you
know Mr Shepard to be a loyal
native born American, is all that is
needed. I send on another page
a description of my Shepard's person,
and enclose five dollars which I
believe is the Revenue Stamp fee.

If you can aid me in obtaining the
passport, or with information on the

Description of
Ernst Schmidt

OATH OF ALLEGIANCE.

This oath is required from pensioners once, (on the first payment to new ones,) who are native-born, or have been naturalized. If a ward, from the guardian, and whenever there is a change of guardian; if dead, from the person or persons executing the vouchers. When those of foreign birth have not resided in the United States, the magistrate may certify to the same; but if they have, and do not owe allegiance, it should be properly explained. When a pension has been increased, and the oath has been previously furnished, it will not be required again of the pensioner.

I, *Ernst Schmidt a citizen* ~~a pensioner~~ of the United States, do solemnly *swear* that I will support, protect, and defend the Constitution and Government of the United States against all enemies, whether domestic or foreign, and that I will bear true faith, allegiance, and loyalty to the same, any ordinance, resolution, or law of any State Convention or Legislature to the contrary notwithstanding; and, further, that I do this with a full determination, pledge, and purpose, without any mental reservation or evasion whatsoever; and, further, that I will well and faithfully perform all the duties which may be required of me by law: So help me God.
